Bhava Predictions

This report describes the influence of planets on your character and life. You may find repetitions or contradictions in the report which only show the interactive nature of various planets on your life.

Personality, physical structure, status

The first house of the horoscope represents the personality characteristics, physical structure, status and fame of the person.

Based on the position of Lagna the following characteristics may be present in your personality. You are: extremely sensitive; inquisitive; nervous; restless; intelligent; quick-witted; bright, hard-working; pleasure loving; talkative, self-reliant; honest; happy; strongly emotional; just and fair; family-oriented; cautious. Physically you will: be pleasant-faced; lean to one side as you walk. You value traditions and inherited possessions. You are receptive to new ideas and adapt yourself to the environment. You often meet with disappointment in love, because you feel others do not give you as much love as you give them.

Since your Lagna lies in the second Drekkana of its house, you are not very lucky in financial matters. You are very kind and generous. But this tendency is counter-productive to money retention. You should not make risky deals or unwise investments. Lawsuits and blackmail play a large part in losing your money. However, you will also be fortunate under certain circumstances. The most important years in your life are 18, 27, 34, 44, 53 & 60.

Since the ascendant lord is in the 8th, you will prove to have an interest and an aptitude for academics. You will do well in your chosen field, even though you may have breaks in your education or career. If you look after your health and attend to problems as soon as they occur, you will be quite healthy. You have a tendency to gamble; but, you will not do well at it. You are interested in the spirit world, or in the occult. You may, at some point, be tempted to participate in shady ventures. During a brief period in life, you will experience a series of unfortunate and unavoidable events. You may be tempted to use alcohol or drugs; but again, these forms of escape will prove counter-productive. You will do well by focusing your attention on spirituality, art or philosophy.

The aspect of Saturn on the first house, seen in your horoscope, is not a good indication and it is essential that you take all efforts to keep away from unclean environment and doubtful company of friends.

Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the 10th house you will be scrupulous and educated. You will have a variety of interests. You have an earthy physicality. You enjoy sex and believe in the joy of physical love. You may have difficulty or delay in having children. You will participate in a variety of activities. You will financially benefit from a career in business, agriculture or philosophy.

Since Jupiter is positioned in the 2nd house, you will be a scholar and you will not lack money. You will be charitable at heart, and have a pleasant face. You enjoy eating well.

It is seen that Jupiter aspects the second lord. You can find happiness in reading and comprehending ancient history and epics and sharing your wealth of knowledge with others.

It is seen that Venus conjuncts the second lord. You will develop interest in literature, visual arts and graphics. People will see a romantic touch and passion in whatever you do.

Since the second lord and the fourth lord are in conjunction, there are chances of your gaining wealth through maternal connections.

Siblings

Third house in the horoscope mainly refers to siblings, courage and cleverness .
