Varsha Phal

The sun transits one circle of 360 degrees of the zodiac in a whole year. To analyse the results for a specific year of your life, a horoscope is cast for the time when the Sun in transit reaches exactly where it was at the time of your birth. This horoscope is used to predict events and foretell your life for that particular year. The annual or progressed horoscope is similar to that of the Siderial Solar Return chart in Western Astrology.

Varshaphal is also known as the Tajaka or Tajik system of astrology. Of the many writers, Nilakanta and Kesava are the two great authors who have written elaborately on the Tajik system.

The annual horoscope analysis and predictions given here are based on the principles of the Tajik system. The point called Varshapravesh, is the entry into the new year and has great significance. This is calculated as per the elaborate methods suggested in the ancient texts. The day of the week of your birth, is also considered for Varshapravesh. Apart from the ascendant in the annual chart, called Varsha Lagna other important influences analysed are that of the Muntha, the Lord of Muntha and the Lord of the year.

There are wide differences in rules, for judging a horoscope under the Parasara system and the Varshaphal. The set of rules for aspects and combinations in the two systems are distinct. The strength of the planets are ascertained by Panchavargiya Bala rather than Shadbala, as in the Parasara system.

In the foregoing analysis, you can see that the effects of various factors are sometimes contradictory and at times reinforcing. While some unfavourable influences are neutralised by favourable factors, often you will experience all these at least partially at sometime during the year. An overall judgement of the year ahead is given at the end of each annual forecast.

Please remember that the Varshaphal period covers an entire year from the day of Varshapravesh, which is approximately from one birthday to another.

The predictions given here are indications of the fortunes ahead and you can surely surmount any hard times, by your diligence, will-power and the grace of God.

Effect of Muntha

Muntha is a sensitive point in the annual horoscope. Muntha moves by one rasi per year from the birth ascendant. The position of Muntha in the annual chart has a significant effect on the results one can expect during the year.

The placement of Muntha in the seventh house points to emotional disturbances in your love and married life. The health of your partner or minors could upset your regular flow of work. At this stage expenses could go beyond your control. A difficult life is to be expected at work and home. Avoid losing your temper. Provocative situations are to be faced calmly.

Lord of Muntha

The lord of the house where Muntha is placed is called Munthesh, the Lord of Muntha. The effect of Munthesh is only secondary to that of Muntha.

In this case, while Muntha is placed unfavourably, the Lord of Muntha is in a good position. This minimises some of the bad effects given by Muntha. Also, there will be progress in some areas during the year.

The lord of Muntha is in the first house. This indicates that, this year, you will enjoy the benevolence of good health. Regular walks and light exercise will keep your body fit. This period is one of prosperity. You will do well at any project or endeavour you seriously take up. You could gain some money or wealth and happiness will overwhelm you at certain times, during this year.

Lord of the year

Varsheswara, the lord of the year is selected based on various factors as shown above. The lord of the year has a significant influence on the events that unfold during the year. The strength of the planet is also an important consideration.

Moon is the lord of the year and is strong. During this year, your income levels could be better than you expected. Your wife and family could give you great happiness. You will be a well-known man among your family and friends. There could be a rise in your position or powers, at work or at clubs or associations where you take keen interest.

Birth Lagna

The position of birth lagna in relation to varsha lagna has special significance.

Birth lagna is the annual eleventh house. Over the next few months you could enjoy financial prosperity. Its a good time to gain from speculations, lottery and the share market. You will be a prominent man in society.

Planets in houses

The effects due to the position of planets in different houses of the annual chart are outlined below. These influences modify the intensity of good and bad results forecast based on the parameters analysed earlier.

The Moon is positioned in the ninth house. This points to a dawn of fortune, financial gains, charitable deeds, gain of land and happiness to children.

Sun is in the second house. This points to loss of wealth, disputes with family members, trouble in throat and eye. Death in the family.

Mercury is in the second house. This indicates financial gains, prosperity, success, happiness through family members and contentment.

Venus is in the first house. This indicates prosperity and improvement in status, destruction of enemies, favours from aristocracy.

Mars occupies the sixth house. This points to defeat of enemies, success for ones party, gains from friends and happiness in the family.

Jupiter happens to be in the third house. This points to spread of fame, recognition of merit by rulers and increase in wealth.

Saturn happens to be in the third house. This indicates destruction of enemies, financial gains, acquisition of land, enmity with kith and kin and close relatives.

Rahu is seen in the seventh house. This points to breathing problems, piles, risk of poisoning. Keep away from snakes.

Monthly prediction - using Sun transit & Ashtakavarga

The following monthly predictions are made by considering the current position of Sun with reference to the position of Moon in your birth chart. Sun travels through a zodiac in around a month. Though the effect of Sun transit is considered generic, we have personalised the predictions further by calculating the Sarvashtakavarga points in the rasi through which Sun is transiting. Ashtakavarga uses a system of points based upon planetary positions in your birth chart, and it plays a significant role in transit predictions.

Transiting Rasi : Makara

Sarvashtavarga Points : 24

The transit of the Sun through the fifth house brings in anxiousness, laced with a little bit of fear that tends to follow you around. Either you may be involving yourself in matters that are not too pleasing, or you are not engaged in essential issues. A fair share of attention is received from the opposite sex. Your craving for sexual pleasures is likely to lead you into experimenting with short-term relationships. If your focus is too much on worldly pleasures, a lot of factors will interfere with your professional life. You may fall back on meeting your deadlines, and this may not sit well with your senior colleagues, which could, in turn, affect your income. Worldly pleasures do come at a cost. Money will be splurged. Even relatives may back off from offering you a helping hand seeing your stubbornness in the path that you choose to follow. Seek help from people you trust about helping you to change your ways, or else a financial drain is entirely possible. If with children, spending quality time with them is of the utmost importance. You can quickly correct the disobedience that they show with a lot of love and an attentive ear. Their health issues, as well as yours, should not go ignored.

12-2-2021 >>>> 14-3-2021

Transiting Rasi : Kumbha

Sarvashtavarga Points : 28

When the Sun moves through the sixth House from the Janma Rasi, you will indeed have to go through challenges, and that can be slightly demotivating in the beginning. You will be able to survive all these struggles as the days pass by. The sixth House carries a lot of matters which can challenge anyone. However, solar transit will empower you mentally and emotionally to face all those challenges. During the first half of this transit, you will be struggling for stability, but the situation will improve as you advance through time. Your physical health will be very important during this phase. During the initial days, there will be financial challenges, but you will be able to overcome all those challenges. There will be a lot of duties, and that can be very much suffocating, but as the days pass by, you will be able to cope up with that pressure.

14-3-2021 >>>> 14-4-2021

Transiting Rasi : Meena

Sarvashtavarga Points : 30

When the Sun moves through the seventh House from Janma rasi, you will always be thinking about others. The seventh House indicates people from personal and social domains, so your life will be connected to these relationships. The solar transit through the seventh House cannot be seen as a favourable transit, so you will have to be careful. Please don't be so open to anyone. Otherwise, that can create some troubles. There is nothing wrong with being a little secretive, and that will help you to be very confident. Solar transit always makes you real, and you should not have any huge expectations about anyone. That will put you in distress and unhappiness. Please try to keep a good diet, otherwise stomach related troubles during this phase. You need to think less and always discuss your plans with your good wishes. However, towards the end of the transit, you will be much better and stable.

14-4-2021 >>>> 14-5-2021

Transiting Rasi : Mesha

Sarvashtavarga Points : 25

A lot of challenges will be faced as the Sun transits through the eighth house from the JanmaRasi. What you say in your favour may have validity, but it is highly likely that your points of validation will be distorted and misunderstood. Hence, whatever you say will not get across as how you intended. The most to benefit are the people who do not have your best interests at heart. If not careful with how you present matters, quarrels are bound to happen with your partner too. You may even stand to offend authority figures at home, like your father. Hence, you should make your statement by keeping the ego aside and leave it to time to do her magic. Amidst this, to maintain a healthy routine might seem difficult. But if you do so, you can stop a lot of minor issues like headaches, indigestion, eye trouble from aggravating, which in turn will help save a part of your finances. Keeping indoors when the weather is severe would be the right choice. Make sure that all your paperwork is organized and in order, and abide by the rules. This will keep you away from government penalties. Unexpected expenses somehow find their way in, but a tight rein on your finances will go a long way in controlling it. You may undergo an emotional shock owing to circumstances that prove to be overwhelming. You feel as if you do not know what to think. You should put your plans on hold and postpone taking decisions. Getting away for a bit like a spiritual retreat will work wonders, and you will feel like yourself again.

14-5-2021 >>>> 15-6-2021

Transiting Rasi : Vrishabha

Sarvashtavarga Points : 23

The Sun transiting the ninth house from the natal Moon, signifies your adventurous spirit. Circumstances may arise such that you may have to face the opposition of your father, siblings and other elders. Matters may fly out of hand, bringing disgrace and insult into the scene and may also escalate into false allegations. The only way to bring peace is to keep your ego and stubbornness aside and analyze the situation. Be unbiased about you or them being wrong. If it is you, dare to own your mistake and matters will soon see the light. Else, stick with what you believe in and let time work wonders. The same holds with your professional life. Have clarity about things that you wish to do. Harboring false pride will only create more problems. Be open to suggestions. If not, you might be a black mark in the books of people with status and position, for all the wrong reasons. Your finances may see a dip. Attempts at various projects may not see success, yet. You feel like a particular zeal is missing from within you. This in no way should dampen your spirits. Give it time. Failures are the stepping stone to success. So, learn from your mistakes and keep moving ahead. Trust in the power of the divine. Without a doubt, open the doors within you. Visiting holy shrines will help you make peace with your past.

15-6-2021 >>>> 16-7-2021

Transiting Rasi : Mithuna

Sarvashtavarga Points : 30

The annual solar transit through the tenth House may push your ego and self-reliance, and indeed that is going to work against your interest. If you are wise, you can use these energies in a very productive manner. That will help you to improve your career and social status. You will get many opportunities to connect with people in authority and power. They will try to help, and you also put some effort from your side. The Sun is the planet for purity and reality, so you will always have to do good karma, and that will help you to climb the ladder of success. Otherwise, you will be in the back row, and you can be discouraged. This solar transit is not adverse, but it comes with its challenges. You will have to be very submissive with your managers and superiors. Charity and donations will be part of this transit as well.

16-7-2021 >>>> 17-8-2021

Transiting Rasi : Karkata

Sarvashtavarga Points : 32

During the transit of the Sun through the eleventh House from the Janma rasi, you will be focused more on your hopes and wishes. You will work towards achieving your desires. The eleventh House is a house for your intense desires, and the universe will show you what all you can achieve. For you, this transit will produce intermediate results, so you should not desire anything in an expansive mode. You will have to be very careful with your money. There will be many opportunities to improve your career, and you should use this transit. Please don't take any solo decisions as they can end in disaster. You should not hastily accept new teams and friendships as they can work against your interest. However, there will be initial troubles from the team settings, but that eventually face off. Financial gains will be coming up during the second half of this transit.

17-8-2021 >>>> 17-9-2021

Transiting Rasi : Simha

Sarvashtavarga Points : 19

As the Sun transits through the twelfth house, carefulness cannot be stressed enough. If trying for a job, it would be better to let this phase pass by. For those working, try and hang onto the job and the position that you hold. Now is not the time to compromise on it. Attempting for a better one should be kept for a later date. You will be prone to skin allergies and itches during this period. Your eyes and stomach too might need the required checkup. Legs also tend to hurt. Since the twelfth house indicates the left eye and the left side of the body, be careful. Seek immediate help from your doctor. There will be interactions with foreign lands. Be cautious about not being involved in any legal issues with those lands. An accumulation of minor problems may cause you to lose your sanity for a while. You might be tempted to involve yourself in acts that mean harm. Seek help from people you trust. Merely having an open conversation with a good listener is bound to solve half your problems. In case you find yourself entangled with disputes linked with the government, make sure that the results do not come out in the twelfth transit. Unexpected expenses are foreseen along with money being spent unnecessarily. A logical control on your finances will instantly decrease the severity of the problem.

17-9-2021 >>>> 17-10-2021

Transiting Rasi : Kanya

Sarvashtavarga Points : 34

The Sun transiting through the sign occupied by the Moon at birth means you may be a lonely warrior out to redeem yourself. You may feel a surge of destiny calling within you but won't know where to. It is the ideal time to hop on your bike and let the road take you wherever it wants to take you, had you been fancying such a trip. Your lack of purpose may affect your diet and your bonds. If you are in a relationship or married, your partner may fail to understand you at this time. So keeping a distance from him/her would be good. You may not care much for social responsibilities, and unless you want to feel hurt, do not attempt to share thoughts with your friends or relatives. Your intentions, however noble, maybe misunderstood, and others may tarnish your name. There is a good chance of you ignoring your health. Combined with your random meal habits, you may have to endure an upset stomach and lassitude. Do not put too much strain on your eye during this period. If your family has got a history of medical problems, it will do good to get a health check-up for yourself. Also, headache or bad dreams may disturb your sleep. Make sure to get enough rest and avoid anything that may result in excess bile in your stomach.

17-10-2021 >>>> 16-11-2021

Transiting Rasi : Tula

Sarvashtavarga Points : 35

With the Sun passing through the second House from Janma Rashi, you may gain attention from rivals for your abilities. Be careful of people who approach you as friends as they may not have your best interest at heart. Do not fall for flattery and do not speak what is in your mind. Honesty, loyalty and sincerity may bring you only pain. You may be forced to keep your moral obligations aside for some time. Those in politics will face extra pressure. Be prepared to spend money on your cause. Short term losses may have to be endured for long term gains. Sacrifices may become necessary. If you feel your financial shortcomings are coming in the way of you achieving your larger goals, be cautious and do not let yourself be talked into any fraudulent schemes. Your confidence may make you naive when it comes to financial dealings, so keep away from it. It's okay to express your dislike for people. It won't bring you any friends but lessens the chances of you being deceived. Eye troubles may slow you down a bit, but with proper care, you can recover fast. Because you are in a constant battle to stand your ground, the stress it puts your brain through may physically manifest in the form of a headache.

16-11-2021 >>>> 16-12-2021

Transiting Rasi : Vrischika

Sarvashtavarga Points : 28

During the transit through the third House from the Janma Rasi, you will become very courageous. The third House indicates courage and hard work. You will get some opportunities to travel short distances, and they also will produce results after the initial struggles. This is an ideal time for learning new skills and teaching others as well. There will be some training and media-related activities. You will be interested in charity deeds and donations. That will be making you happy, and you will have the blessings from the divine energies. You and your family will be able to settle your financial issues.
